

## WE PUT OUR REPUTATION ON THE LINE

A nationwide benchmark for personalized managed health care excellence, our nurse specialists strive to ensure that the complexities of each situation are cared for with skill.

Our professionals, with experience in at least one major clinical specialty, understand all the ramifications of a patient's condition and treatment. The result? Accurate needs assessment, appropriate care and cost conservation techniques—all within a timely manner.

## EACH INDIVIDUAL IS SPECIAL, EVERY CASE UNIQUE

At Hines & Associates, Inc., it has been this way for over 30 years.

Our success in high-risk health care is based on outstanding clinical expertise. Programs are comprehensive and innovative. From oncology and organ transplant to BABE<sup>SM</sup> Critical Care and behavioral health—Hines' Specialty Case Management positively impacts your high dollar concerns.
